WHICH WAY FORWARD FOR PALESTINIAN LIBERATION?

THE COMMUNIST
ANSWER

3:00PM
SATURDAY
06 APRIL

5615 S WOODLAWN AVE
CHICAGO, IL

*The movement to free Palestine cannot go forward in partnership with Biden's government or any representative of the Democratic Party, which is arming Israel to bomb Gaza. Activists have been targeted with firings, censorship, arrests and attacks for standing up against the genocide. **For class war to stop the massacre and fight the repression!***
